Subject: FIRST AND SECOND GRADE CLASSROOM DAILY SCHEDULE

Dear parents,

The schedule below is just to give you an idea of the time spent on each subject.

Journals	10 minutes
Bible	20 minutes (online lesson & workbook page)
Spelling	25 minutes (on line lesson & workbook page & writing word 3x plus 2 sentences)
Penmanship	25 minutes
Creative Writing	20 minutes – twice weekly
Phonics	30 minutes (online lesson & workbook page)
Arithmetic	45 minutes (on line lesson, combination practice & workbook page)
Reading	15 minutes twice daily – answer questions at end of each story
History/Geography	15 minutes reading – finish up book beginning at page 78
Science	15 minutes reading and answer any questions in your book.

Please note that some subjects do not have a workbook page for every day. Lesson numbers are located at the bottom of the workbook pages. Lesson numbers will line up with the lesson numbers on the Abeka website. The classroom dynamic is different. Keep in mind that these are guidelines. You may adapt accordingly with your routine at home. Thank you for helping your child stay current on their schoolwork.

May God bless you. Please feel free to reach me at any time. Thank you for your attention in this matter.

Sincerely,

Mrs. K. Gabelman
